4th Annual Lower Cape Fear Stewardship Development Awards Banquet!

The Lower Cape Fear Stewardship Development Awards Program honors residential, commercial and public development projects in Brunswick, Pender and New Hanover Counties that demonstrate outstanding environmental stewardship through the protection, conservation, improvement, and awareness of our natural resources.

Discover which developers in the Lower Cape Fear region are building more eco-friendly communities. The Annual Lower Cape Fear Stewardship Awards Banquet will be November 12th, 2008 at the Burney Center on UNCW campus from 5:30 to 8:30. Tickets for this event are \$30 and can be obtained by contacting Dru Harrison at 798-6032 or dru.harrison@nhsacd.org.

Developers from Brunswick, Pender & New Hanover counties will be recognized for incorporating stewardship of the natural resources into the planning, design, and construction of their developments. Projects range from residential subdivisions to historic structures. Awards may fall into the category of Outstanding Recognition, Significant Achievement or Special Recognition.

There will be displays from local businesses and related non-profits for attendees to learn more about stewardship efforts in the region and the latest techniques available. Those who wish to attend should RSVP by October 29th, 2008.

Join us on
Wednesday, November 12th
to recognize builders and developers who are making an
effort to be good stewards of the natural resources of the
Lower Cape Fear region.
